

LITCHFIELD DOWNTOWN REDEVELOPMENT PLAN
Façade & Sign Grant Area Description

Location of the study area and eligible façade grant program area.(applicant must be in the TIF District)

The study area is east of the I-55 interchange and both Historic and Old Route 66. This program is focused on the State Street Corridor, between Corwin to the north and Sargent to the south. The program expands well beyond State Street to both the east and west. The eastern-most boundary of the program is Van Buren and it spans as far west as the railroad tracks.
